

阿联酋拟发言机构简介

1. ADIO 阿布扎比投资办公室

The Abu Dhabi Investment Office (ADIO) is the central government hub supporting investment in the Emirate of Abu Dhabi. Committed to the growth and diversification of Abu Dhabi's economy through the private sector. ADIO enables opportunities for domestic and foreign investors aligned with Abu Dhabi's economic priorities. Support investors and businesses with innovation at the core to help ensure long-term, sustainable success in the market and across the region.

2. KIZAD 阿布扎比哈利法工业区

Khalifa Industrial Zone Abu Dhabi (KIZAD) delivers unique advantages – extensive size, world-class infrastructure, free zone and non-free zone solutions, dedicated investor support, tax-free environment with competitive operating costs and strategic location with access to regional and international markets. These contribute to making KIZAD one of the world's foremost port-integrated industrial zones and a leading hub for manufacturing, logistics and trade across diverse sectors. The KIZAD masterplan offers proximity to suppliers, customers and other business efficiencies, ensuring that manufacturing, trade and logistics derive long-term advantage.

3. ADGM 阿布扎比国际金融中心

Abu Dhabi Global Market (ADGM) is a key pillar of Abu Dhabi's Economic Vision, acting as a catalyst for the growth of its dynamic financial services sector in the UAE. One of our ADGM's commitments is working with the relevant authorities in China and Abu Dhabi to support the RMB internationalization strategy and build up a robust RMB center serving the MENA region via ADGM.

4. Masdar 马斯达尔公司

Established in 2006, Masdar, Abu Dhabi Future Energy Company, is a global leader in renewable energy and sustainable urban development. Masdar develops commercially viable renewable energy projects in the Middle East & North Africa (MENA) and international markets. Masdar building the world's most sustainable city. Wholly owned by the Abu Dhabi government's Mubadala Investment Company, Masdar is supporting the UAE's transition towards a knowledge-based economy. A catalyst for renewable energy development in the Arab world over the past decade.
